Themes in West Africa's History

by Emmanuel Kwaku Akyeampong

There has long been a need for a new textbook on West Africa's history. This comprehensive collection brings together leading scholars on key themes from West Africa's prehistory to the present. It discusses various disciplinary approaches to West African history, provides overviews of the literature on major topics, and breaks new ground through the incorporation of original research. Part one provides perspectives on West Africa's history from archaeology, ecology and culture, linguistics, and oral traditions. Part two provides longue duree perspectives on environment, society, agency and historical change. Part three examines how economic and political developments have shaped religious expression and identity in significant ways. At the end of each chapter is a short list of recommended reading.

Africa: A Modern History

by Guy Arnold

The end of the Second World War signalled the rapid end of the European African empires. In 1945, only four African countries were independent; by 1963, thirty African states created the Organization of African Unity. Despite formidable problems, the 1960s were a time of optimism as Africans enjoyed their new independence, witnessed increases in prosperity and prepared to tackle their political and economic problems in their own way.

By the 1990s, however, the high hopes of the 1960s had been dashed. Dictatorship by strongmen, corruption, civil wars and genocide, widespread poverty and the interventions and manipulations of the major powers had all relegated Africa to the position of an aid 'basket case', with some of the world's poorest and least-developed nations.

By exploring developments over the last fifteen years, including the impact of China, new IT technology and the Arab Spring, the rise of Nigeria as Africa's leading country and the recent refugee crisis, Guy Arnold brings his landmark history of modern Africa up to date and provides a fresh and insightful perspective on this troubled and misunderstood continent.

Ghana - Culture Smart!: The Essential Guide to Customs & Culture

by Ian Utley

The "Gateway to Africa," Ghana welcomes around a million tourists, aid workers, and business travelers a year—visitors who invariably come away with glowing reports of a fertile land, tropical scenic beauty, rich culture and traditions, and many first-rate tourist attractions. It is, however, the Ghanaians themselves who make the biggest impression. It is through their hospitality and love of peace that Ghana has a claim to be the safest and friendliest country in Africa. Ghanaians are welcoming to foreign guests, respectful to each other, strong followers of tradition, and have deep familial and communal values. For most visitors, Ghana comes as a wonderfully refreshing change, with valuable lessons to teach the outside world. Ghanaians like to do things their own way, and Ghana is a proud country that does not cater exclusively to tourists but rather expects them to fit in with the Ghanaian pace and way of life. Thus a visit to Ghana is not without its downsides, and visitors can experience frustrations and barriers. This revised and updated edition of Culture Smart! Ghana explains the complexities and nuances of Ghanaian society with clarity and humor. Visitors are expected to be sympathetic to their customs and beliefs, and their hosts will have no hesitation in saying, "We don't do that here," should a faux pas be made or a taboo broken. It is important to Ghanaians that they, and their guests, follow certain rules and codes of conduct. Culture Smart! Ghana describes these rules, explains where they come from, helps to disperse the frustrations and barriers, and offers the reader an opportunity to enjoy more fully all that this beautiful country has to offer.

Homegoing

by Yaa Gyasi

Effia and Esi: two sisters with two very different destinies. One sold into slavery; one a slave trader's wife. The consequences of their fate reverberate through the generations that follow. Taking us from the Gold Coast of Africa to the cotton-picking plantations of Mississippi; from the missionary schools of Ghana to the dive bars of Harlem, spanning three continents and seven generations, Yaa Gyasi has written a miraculous novel - the intimate, gripping story of a brilliantly vivid cast of characters and through their lives the very story of America itself.

Epic in its canvas and intimate in its portraits, *Homegoing* is a searing and profound debut from a masterly new writer.
